

How to Guide: Your access code

Understanding Your Child: Online course

Congratulations! Your child's school have purchased for your use an access code (valid until 31st May 2019) which gives you and other members of the school community FREE, LIFELONG access to an award winning course all about children, their development, emotions and behaviour. This course normally costs £39.

We hope you enjoy it and find it interesting!

Your access code is:

BESSACARRMAY19

To access the course for the first time, follow these simple steps:

1. Go to www.inourplace.co.uk
2. Click 'Start now: Buy courses or apply code'. On the next page click 'Buy course or apply code'.
3. Enter the access code above where it says 'Enter code here' and continue. You will be prompted to enter your name (optional), email address, and create a password. This will be **your** account on Ourplace *. You will also be asked some questions, some of which are optional, some compulsory. This helps verify that you are entitled to use the code and provides some anonymous information about who is benefitting from the courses.

Then you can start your course! Any time you want to access it in future go to www.inourplace.co.uk, and sign in. Your Ourplace account will remember where you got up to and will resume from this point. You can also go back over sections you have already completed. The course can be used on PCs, Macs, laptops, tablets and smartphones.
