04 July 2018

Dear Parent / Carer,

## Space Workshop – Monday 16<sup>th</sup> July

As part of our space topic 'Cosmic,' we will be holding an interactive learning day in school on Monday, 16<sup>th</sup> July, 2018.

As part of this day, we have arranged for a mobile planetarium dome to come into school and each child will have the opportunity to take part in a workshop within this. Alongside the planetarium workshop, the children will be taking part in STEM competitions and challenges throughout the day.

The cost of the planetarium hire will be £6.00 per child which is payable via parent pay by **Friday 13<sup>th</sup> July**. *If you usually pay for school items at a Pay Point please collect a barcode from the office in advance to enable you to make the payment by the deadline.*

If you would like more information about the planetarium please follow this link:

<http://wonderdome.co.uk/primary-school-planetarium-show/>

If your child would like to come to school in a space themed outfit on the day they are more than welcome. Possible ideas could be: astronauts, aliens, planets or Liam Digby (the boy from our current class novel).

Thank you for your continued support.

Mrs Denton & Mrs Shaheen
