Dear Parent / Carer,

We are going to be trialling out a different way of dismissing the children from KS2 (years 3 to 6) who have siblings in either KS1 (years 1 and 2) or reception.

From **Monday 8th October**, all KS2 children with a sibling in KS1 will go to their sibling's classroom at the end of the day and be dismissed from there.

Children from KS2, who have a sibling in reception, will be dismissed from the small hall and will meet their parents / carers in the reception playground area.

We are hoping that this will alleviate some of the congestion in the KS2 playground and make collection time at the end of the day much easier for you.

However, if you do not feel this system will help you e.g. If your KS2 child has a scooter or bike with them, please inform school so that we have a record of where every child is being dismissed from.

Yours sincerely,

A handwritten signature in black ink that reads 'A-M Patterson'.
