Dear Parent/Carer

We would like to thank you all for your continued support in a morning. By encouraging your child to come into the building independently you are helping us to ensure they feel safe and confident to start the day.

We would like to take this opportunity to remind you all that you are always welcome into the building, but would ask that you wait until all children who are coming in by themselves are safe within their classroom. This minimises disruption and tears, as too many adults can still be a little overwhelming for a child who is on their own.

Thank you for your ongoing support

Miss Thomson and Miss Fox
